At the hearing, the following rulings were made as stated on the record:

The Court held a discovery hearing regarding docket entries 386, 390, 398, 400, 404, 405, and 407.

The Court overruled the objections of Defendants Don Dimitrievich, Jim Hackett, David Leuschen, Randy Limbacher, and William McMullen to the subpoena that counsel for the lead plaintiffs served on the Trustee of the AMH Litigation Trust in bankruptcy case number 21-3423. The discovery materials at issue were the transcripts discussed in docket entry 390.

Counsel for the lead plaintiffs will provide: (1) the transcript of the deposition of the Rule 30(b)(6) representative for Defendant Alta Mesa Resources, Inc.; (2) the lead plaintiffs' interrogatories to Defendant Alta Mesa Resources, Inc.; and (3) Alta Mesa Resources, Inc.'s responses to the lead plaintiffs' interrogatories. The Court adjourned the hearing to review those discovery materials.
